

WE ARE HERE TO DELIVER – MORE THAN JUST THE GOODS

WHAT WE DO

Canfornav provides a world class service to our customers, developing and maintaining long lasting relationships. Our focus is the Atlantic handy size market linking the Great Lakes and St. Lawrence to ports around the world. The company is focused on innovation and we are proud to provide a dependable, reliable and sustainable service to our customers. We are actively engaged and involved in environmental initiatives to foster a greener maritime community.
